We hope you have had an enjoyable summer break, soaking up the unusual yet glorious heat, which this English summer provided! We are happy to welcome the children back to school, to begin what we hope, will be a captivating and fun-filled year. September is always an exciting time, as teachers, support staff, children and parents get to know one another and we build on the knowledge and interests that have developed in the previous years. However, the start of something new can be a nervous time for some children and I want to assure you that, along with the rest of the Year 5 team, we are always willing to meet with you, should you feel the need, for any reason, to speak to us. Do let us know and we can arrange a meeting at the earliest and most convenient time.

As well as planning the year ahead, working alongside Mr. Woolton in Doves, the children in Drakes will also be taught by Mrs. Greer and Mrs. Sharkey, for some areas of the curriculum.

Over the course of the year, you will have many opportunities to visit the school (and classroom) to have a look at the exciting learning that is taking place, including this term on Wednesday 19th September, when we have our Open Evening and Governors’ Presentation evening, the PTA Social Event on 21st September, as well as at Parent’s Consultation Evenings, toward the end of this half term, where we will discuss successes, progress and targets.

Finally, I also wish to draw your attention to an exciting event that will take place in the Spring Term. Year 5 has been given the opportunity to take part in the Merton Music Festival, at the Royal Albert Hall. The event - titled “Thames Tales” - will be held on Wednesday 20th March 2019, but we will have a string of rehearsals and on-going practice over the coming months. Further information will be forwarded to you, as soon as we have it.

We look forward to seeing you at one or all of the above events.

Mrs Cullen, on behalf of the Year 5 team.

Additional Adults in Drakes
- Mrs. Greer (Tuesdays)
- Mrs. Sharkey (French – Tuesday (am))
- Miss. Lambert, Mrs Hallam, Miss Watycha (Support staff)
Homework:

Reading: The children should read on a daily basis, for at least 10 minutes and their home/school diaries signed by you, to show that they have done so.

Spelling: These will be given out on a weekly basis (Monday) and tested in school. The words chosen will come from a range of sources including children’s own writing, spelling patterns and topic based vocabulary.

Maths homework: This will be given out on a Monday, to be returned on Thursdays.

English homework: This will be given out on Thursday, to be returned the following Monday.

As a guide, the children should aim to take between 30 – 45 minutes to complete homework tasks. If it is taking longer than this to do, please let me know. It might be that the work is too challenging. If you have to give a lot of additional support, then it is also helpful if you make a note of the support on the homework, so that it can be picked up with the children in school time.

Half -Term Project: The Autumn project will focus on aspects of The Ancient Greeks. It can be presented in any form, so long as it shows children have undertaken research and considered their audience. We will discuss this further in class.

Dates for the term: Further dates and details will follow in the Friday Flyer and on the school website.

Further Information: - Your support in these areas is valued and appreciated

Home School Diaries:
The children have been given a Home-School Diary. This is where dates and further information will be recorded by them. It is also a method by which you can pass on information to me, or I to you. Please check the diary weekly and sign it.

Walking Home:
In Year 5, with parental permission, children are allowed to go home by themselves. You will need to complete a permission slip, available from the school office.

Mobile Phones:
If you allow your child to bring a mobile phone to school, then you and they must complete a permission slip, available from the school office. These are switched off during the day and locked away in the school office.

Snacks and Refreshment:
Children may bring a piece of fruit as a snack for break time. They may also have a bottle of water (not juice) for the classroom. Please do not send it in frozen.

Uniform:
In Year 5, the expectation is that children wear a white shirt (not polo-shirt), and be able to do up and wear a standard tie (not wear elasticated ones), unless dresses are chosen to be worn. Children should wear black, flat shoes, not trainers or boots. In PE, children must wear a house-coloured t-shirt and blue shorts/skirts. As the weather gets colder, they may wear blue jogging bottoms. Children must not wear any jewellery (apart from watches) and if earrings are worn, they must be studs only.

Medical Information:
If your child needs to take medicine during the day, or needs to have medication available in emergencies, then you should complete a medicine form, available from the school office.

In normal circumstances, children are discouraged from leaving the classroom to go to the toilet, apart from at break and lunch times. If you feel there is a medical reason why they should, please send in a note to let me know.
